Greetings,

On behalf of the Convent of Jesus and Mary and Bethany Spirituality Center, we offer sincere thanks for your support of the first "**Soles for Souls**" **Benefit Walk/Run 5K** to benefit the operation of Bethany Spirituality Center, a ministry close to the heart of the Religious of Jesus and Mary. As we celebrated the 100th Anniversary of presence and service of the Religious of Jesus and Mary in Highland Mills, NY, an awareness of God's blessings seemed to reign over all and the perfect weather certainly added to the rejoicing.

There were more than three hundred participants in the event. Veteran 5K runners commented favorably on the quality of the course and the organization of the day. Walkers noted the beauty of the area. Families expressed delight in the picnic and the music. Groups of old friends gave thanks for the reunions.

Our committee is deeply gratified by the success of the benefit – in all dimensions. We pray that our Good God will reward your generosity to us – blessing you and your dear ones in the ways you need most.

We are so grateful that YOU have been part of it all!!!

With sincere gratitude,

Sr. Teresita Morse, RJM
